COMMITTED TO PROTECTING YOUR BIGGEST INVESTMENT AND  
MAKING YOUR TIME IN THE MOUNTAINS CAREFREE AND RELAXING...

### What we provide

**A Wellcome Home, Inc.™** is the area's premier Second Home Management Service, serving homeowners in Greater Asheville and surrounding communities. From checking your home and property bi-weekly to stocking the fridge before you or your guests arrive, we provide a complete package of services to make sure your home is safe while you're gone. No "To Do" list when you arrive, no surprises, just time to relax and enjoy your time here in the mountains.

### Who are we?

**Owner, Donna Bailey's** professional life as a very successful business owner and consultant for 25 years provides the kind of organizational skills for managing the array of services offered by A Wellcome Home. She has organized and managed statewide projects, designed and coordinated events at the local and national level including governors' conferences. She owned and operated a successful restaurant on the coast of California, authoring a cookbook and creating a product line of much-loved tea room fare for customers on the go! The diversity of her lifetime work reflects her Southern roots and her love of working with people.

A Wellcome Home, Inc. utilizes the high-quality services of local professionals, including licensed plumbers, electricians and landscapers, for any area of home and property maintenance.
